

## **ELEANOR OLIPHANT IS COMPLETELY FINE BY GAIL HONEYMAN**

### **Book Club Review:**

Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. Her journey will captivate you and fill your heart.

All members unanimously loved this book and thought it is wonderfully, quirkily funny. You will ache for Eleanor. . . and laugh with her.
